

**International Livestock Identification Association  
75<sup>th</sup> Annual Conference  
Fort Worth, Texas - July 2022**

**Welcome to the ILIA 75<sup>th</sup> Annual Conference hosted in Fort Worth Texas by the Texas and Southwestern Cattle Raisers Association. Texas is centrally located near the DFW terminal and reasonable driving distance for North America. Fort Worth is where the East, West, North, and South can converge for this once in a lifetime learning, networking and, industry relationship building experience. You must attend, and I promise you will leave with a broader view of livestock identification, traceability, biosecurity, and substantial industry relationships and contacts.**

ILIA is a 501(c) organization of Nations, States, Provinces, and Native American Tribal Nations working toward the common goal of effective livestock identification, biosecurity, theft and industry protection, traceability through education, and the merging of new technology with proven brand traditions.

**The mission of ILIA**      [www.internationallivestockid.com](http://www.internationallivestockid.com)
